

Opulence  
properties of distinction<sup>SM</sup>

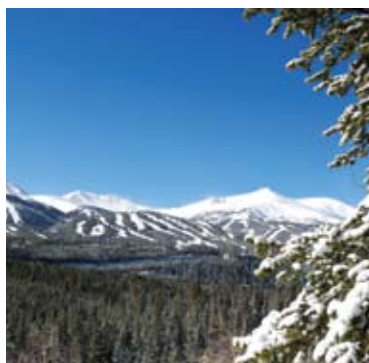

## *properties of distinction*

Opulence offers distinctive resort, vacation, and investment properties throughout the United States and internationally. By partnering with only the most distinguished developers, these exquisite properties include the finest offerings in destination real estate.

Whether the perfect location conjures island adventures, breathtaking mountain views, or a warm respite from the snow, buyers will discover it within the Opulence Portfolio of Properties. These new construction and pre-construction properties are hand-selected to ensure they include the amenities savvy buyers demand.

## *a higher perspective*

Opulence contracts only the most exceptional properties. Buyers of resort real estate look to Opulence to ensure they discover the perfect location for their investment; they trust Opulence to deliver detailed information about the finest resorts and their surroundings, and to represent them during the process of buying destination real estate.

By partnering with Opulence, developers are included among the most prestigious of their peers. This benefits both the developers and the buyers, matching top quality properties with the top qualified investors. Opulence fosters an elite community built on properties of distinction.

*location. lifestyle. luxury.*

Each Opulence property unites a first-class developer, a coveted location, and outstanding amenities. Whether the day's agenda includes exploring a coral reef, seeing the sun rise from the summit, or just improving that golf handicap, the broad spectrum of properties ensures a perfect match.

Located in the most desirable regions throughout the United States and abroad, these luxurious, magnificently appointed properties demonstrate a keen sense of community design and quality construction. Deep, localized market knowledge allows buyers to immerse themselves in the locale. After all, the investment is in the lifestyle, not just the property.

## *a strategic partnership*

Opulence has welcomed an elite team of licensed Realtors as Strategic Partners. With full access to the Opulence Portfolio of Properties, these Partners are top-performing leaders with extensive real estate experience, intimately familiar with the value these distinctive properties bring to buyers.

Strategic Partners are equipped with the targeted, personalized tools necessary to successfully sell destination real estate, and each Realtor receives full commission for each sale. With a branded website and marketing materials, as well as access to ongoing training, seminars and conferences, Opulence Partners are equipped to excel.

## *join the momentum*

As market opportunity swells, residential real estate has become a popular venture. Savvy Realtors have been seeking unique means of differentiating themselves. Opulence offers remarkable properties to an exclusive class of buyers, to which Strategic Partners receive instant access.

With a hand-selected portfolio of qualified, first-class resort properties, Opulence makes it easy for Partners to match clients with the right investment. Each Partner – like each property – personifies Opulence: polished, credible, reliable, and exceptional.

*Make the move to a property of distinction.*

The sole purpose of Opulence is the sales and marketing of outstanding real estate at coveted resort locations. Contact Opulence to learn more about these exclusive properties.
